

Twyford Neighbourhood Plan

Community Engagement Day
14th September 2016

Community Engagement Day

- ▶ The first draft of the Twyford Neighbourhood Plan (TNP) was presented to the Twyford Community of 14th September 2016.
- ▶ People were invited to Twyford Social Club between 2pm and 8pm to review the Neighbourhood Plan, meet the Technical team who wrote the Plan, and provide their feedback
- ▶ The TNP was available on the website from 7th September, and comments were accepted until 6th October.
- ▶ Action Hampshire was commissioned to help organise the event, design a questionnaire and collate all responses (which provided some anonymity)

All local people were invited to the Community Engagement event and to comment on the Neighbourhood Plan

- ▶ A marketing strategy was designed to try and make everyone in the village aware of the Neighbourhood Plan
- ▶ The local email system and Facebook pages were used to advertise the event and plan
- ▶ Posters were put up around the village, on public notice boards and other public places
- ▶ A banner was put up on the crossroads
- ▶ The Twyford Neighbourhood Plan website was used to advertise the event

Awareness of the Community Engagement included a leaflet delivered to every house in the village

The leaflet features a header image with a church spire and a house, with the title 'Twyford Neighbourhood Plan' in bold. Below the header, the text explains the need for community input and lists the plan's scope. A call to action encourages residents to share their thoughts. The bottom section provides details for a public drop-in session and a website for more information.

**Twyford
Neighbourhood
Plan**

The draft plan needs your input.
Come and say what you think and influence the
content before formal consultation takes place.

The plan includes policies to manage development in
Twyford over the next 20 years.
Including sites to build new housing, protection of
green spaces, community facilities, parking,
flood risk, landscape and ecology.

*It's your village, your voice and your plan
So come and tell us what you think!*

**Drop in between 2pm and 8pm
At Twyford Social Club on Wednesday 14th September 2016**

More information and the draft plan will be available from 7th September at
www.twyfordneighbourhoodplan.co.uk

Over 100 local people attended the event

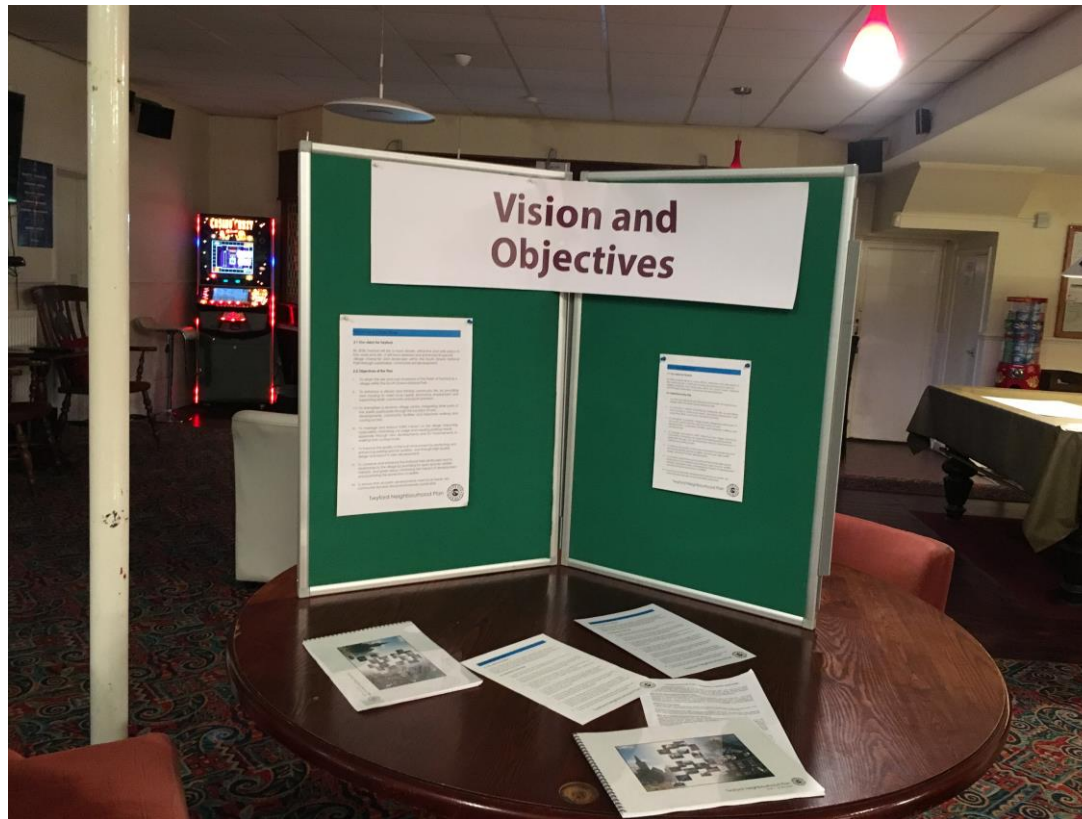

Action Hampshire gave out questionnaires as people entered. The questionnaires were also made available online

Background information was provided on the NP process

Information on all of the areas of TNP were presented

The technical experts who wrote the policies were at hand to answer questions

SDNPA also attended to provide information

People moved around the room

People looked at all of the different policy areas

Taking in all the relevant information

There was a lot of information on how
Site Selection had been considered

And some people sat and read the NP

Feedback from the day

- ▶ Some people chose to complete the questionnaire on the day, and post it in a box on their way out of the Social Club.
- ▶ Other options to return the questionnaire were to post it directly to Action Hampshire, or via a box at the Post Office which was collected by Action Hampshire.
- ▶ Action Hampshire reviewed all responses and provided the results to the Technical Team.
- ▶ Responses were reviewed and carefully considered by the Technical Team, and some resulted in amendments to the Neighbourhood Plan.
